

Prostate Screening

The Lyndhurst Health Department holds a Men's Health Clinic every year in order to encourage men to learn more about their health and the importance of screening the prostate for cancer prevention. The clinic provides:

- Health education: Video discussing aspects of men's health
Health educator to answer questions
- Free Physical Exam of prostate
- Free testing of stool to check for blood (a screen for colon cancer)
- PSA Blood Test (\$15.00)

2009 Men's Health Clinic: Thursday April 23, 2009 at 6:00 pm

Appointments required.

Please call the Lyndhurst health department at 201-804-2500

to schedule an appointment.
