

# TB Testing/Control

World TB Day: March 24

Free Mantoux (TB) testing is available for residents, Townships employees, and Lyndhurst Board of Education employees. Please call Alison Roa, RN, at 201-804-2505 to schedule the skin test.

## **You should have a TB skin test if:**

- you have had frequent close contact with someone who has active TB disease,
- you have lived in a country where many people have TB,
- you work or live in a nursing home, clinic, hospital, prison, or homeless shelter, or
- you have HIV infection or certain other health problems.
